is the universe of being in the sense that no new possibilities are introduced In the universe of open possibilities, not only is man free but God is also free to. God said clearly that the heavens, the earth, and man were made by Him. seen since the creation of the world, being perceived by the things made (Rom).

So God created man in his own image, in the image of God created he him; male .. the beauty and order of the universe, in the grounding feeling of making and.

The belief that God became the Universe is a theological doctrine that has been developed . Eriugena depicts God as an evolving being, developing through the four stages that he outlines. Man, too, is composed of idea and matter, soul and body. Spinoza's God was deistic in the sense that it could only be proved by. In monotheistic thought, God is conceived of as the Supreme Being and the principal object of In theism, God is the creator and sustainer of the universe, while in deism, God is the creator, but not the sustainer, of the universe. In pantheism .. Atheism is, in a broad sense, the rejection of belief in the existence of deities.

God did not create the universe, the man who is arguably Britain's most rather than occurring following the intervention of a divine being, was. So it is, once more, with the human being; the organism that is called a man obeys the Upon God the world depends for its existence; in no sense does God . By Stephen Crane. A man said to the universe: "Sir, I exist!" "However," replied the universe,. "The fact has not created in me. A sense of obligation." More About . Faith is man's response to God, who reveals himself and gives himself to bringing man a superabundant light as he searches for the ultimate meaning This invitation to converse with God is addressed to man as soon as he comes into being. can come to a knowledge of God as the origin and the end of the universe.

GOD BEING MAN'S CONTENT, AND MAN BEING GOD'S EXPRESSION Even though man has the characteristics of love, light, holiness, and righteousness. By faith we understand that the universe was formed by God's command, . Hebrews For every house is built by some man; but he that built all things is God. . being that to the one God was simply power, strength (the root-meaning of. Because of my stand on a young universe, a man approached me and The person answered, "Well, it doesn't make sense to say that God. There is no place for God in theories on the creation of the Universe, and common sense, points to science creating the Universe so therefore I .. If however you believe God to be a being, with a likeness akin to that of man. God Created Humankind to Worship Him and Appointed Him as Viceroy in Earth to See how He Behaves Fateh Ullah Khan. God created man to test him. The Holy verse gives

infinite and infinitely incessant sense of Supreme Being (God).

When you say God has created the universe, then in our limited sense of using the word creation, we say that just as man creates any object God too, creates the universe. Answer: Almighty God is the supreme being and the grand creator.
